

**We leave in 48 days!!!!**

- **At our next meeting I will need copies of all passports. Everyone needs to check their passports and make sure their name is spelled exactly correct.**
- **Our yard sale is Saturday, May 23<sup>rd</sup> so get your things you're going to sell together.**
- **Also, if we can put it in the paper or put up flyers, it would really help get a crowd.**
- **All chaperones should try to get a phone that will work internationally.**
- **I have neck pouches EFTours gave to everyone to keep your passports and money for the trip.**
- **Make sure you tell your bank or credit card company that you will be gone during our trip dates so that they won't cancel your card when they see it being used in Europe. (Very Important because they will cancel it if you don't tell them.)**
- **Fundraiser breakdown of who made what.**
- **Tip money – It is a breakdown of 10 euros a day (6 for the tour guide, 3 for the bus driver, and 1 for local guides.) They all recommend we have this money set aside before we leave so we don't have to worry about it. So I would like to take it from the fundraisers if possible so it is all done.**
- **We won't know who our tour guide is until about 30 days before we leave.**
- **We are traveling with 3 other groups. They are from Michigan, Virginia, and Pennsylvania. I will get their contact information 30 days before to find out anything like what age groups they are.**

**Things we will do at the next meeting are:**

- **Create a list of phone numbers and contacts.**
- **Receive hotel information of where we will be each night.**
- **Make copies of all passports.**
- **Next Meeting Tuesday, June 9<sup>th</sup> at 7pm here at McCants in the strings room.**
